

YC and Parents,

The June choir tour to Washington DC is beginning to take shape. For those of you who have hosted choir singers here at Normandale, you know that it is no easy task to host! Below you will find a tentative schedule that is becoming more permanent as churches confirm our visit (it will end up being very much like this schedule). The cost of the 10-day trip will be about \$400, and may change depending how much money is raised at youth fundraisers this spring.
