Joy through Generosity | Discipleship Works!

Did you know that NLC supports a school in Huch'uy Runa, Peru? We are directed to carry the gospel to all nations in Mark 16. The generosity & dedication of our members provides the resources for NLC to proclaim the Good News of salvation in corners of Edina to corners throughout the world.

The school in Peru provides care to street children in the community of Cusco. The financial support offered by NLC, with the Peruvian Lutheran Church as a partner, assists in the ministry of care and education to these children. We look forward for the opportunity to continue this mission.

Everything we have belongs to God. What a privilege and responsibility to care for that which belongs to our Father!
