## Joy through Generosity | Discipleship Works!

You heard it didn't you? You felt it didn't you? Every Sunday we are blessed by the music of NLC. It can stir our souls, bring tears to our eyes and ready us for God's Word. Give thanks that the Lord has placed so much musical talent at NLC and that they are using those skills for the glory of God. A music program of this quality requires the direction of staff and many members dedicated in the use of their talents: certainly a testimony to the stewardship of the members of NLC using their time, talents, & finances to make a joyful noise unto the Lord.

Growing in our relationship with Jesus involves our use of the time, talent & finances God has entrusted to us. Consider the order of commitment in your daily life.
