Joy through Generosity | Discipleship Works!

On the first of the month at 1:00pm the sirens sound off...do we run to the basement? No, we know it is a test. Our actions as disciples are not practice or a test run...what we do really matters! We are called to join God's work in the world.

Sometimes our discipleship needs to gain a little momentum, that first step. Set aside that hour for NLC activities, intentionally add another percent to your giving plans, or participate in a program that needs your God given talents.

What a way to motivate our discipleship works, to know we are honoring the Lord by paying forward His gifts.
