## CELEBRATE PASTOR DALE'S MINISTRY @ NLC | TODAY! | FELLOWSHIP HALL

## Joy through Generosity | Discipleship Works!

Do you remember the last time you worked on a jigsaw puzzle? Was it a 5- or 8-piece puzzle with a toddler or a table top puzzle with thousands of pieces? There might be a time when certain pieces are used early as the puzzle is started, perhaps some edge pieces, perhaps some pieces with a particular color. But one thing is certain, **every piece is needed in order to complete the puzzle picture.** In order to complete the NLC picture we need every puzzle piece. Your participation is needed. Without it, there is a gap in the puzzle. **Prayerfully consider how you will complete the puzzle.** And the miracle? Every piece fits!
