

Stay in the loop at NLC!

Lutheran Disaster Response is coordinating with the Pacifica Synod and other partners to assess the needs of people impacted by the wildfires, providing for immediate needs and recovery amid the widespread destruction. This QR code will take you straight to an ELCA donation form that will support wildfire survivors.

Gifts to "U.S. Wildfires" will be used in full (100%) to assist those affected by wildfires. A general donation to "Lutheran Disaster Response" will help whenever and wherever disaster strikes next. Please make sure to reference Normandale Lutheran Church when you donate!

As an alternative, simply go to normluth.org/give and offer a one-time gift to our "Emergency Response" fund. Donations made there (or by check with specific designation) will be routed accordingly to these critical neighbors in need.
