NO Sunday School **THIS MORNING!**

"Above all else, I want to thank the children, youth, young adults, families, and caring elders I have had the privilege of knowing deeply and walking alongside over these past five years. Your faithfulness and commitment to living out our shared baptismal identity has been expressed in so many beautiful ways: as you love and support one another, as you gather together and bring newcomers in, as you care for the world God made, and as you strive for justice and peace in all the earth. Please know that I will carry you in my heart and hold you in prayer going forward. You give me hope for a future church and world that has yet to emerge; listen to all the ways God speaks to you, and make it happen!"

**All Saints:
New Life**

Dear Friends,

They dance to the front of the church with zip lock bags and pockets full of change. With smiles on their faces and feet that are walking and leaping and praising God, our children bring their gifts to the noisy offering in worship. Our souls are lifted in the sight and in the sound.

May all of ours be as well! The theme for this year's stewardship journey is, "Make Your Offering Loud," in the ways that give power to the joy we have in giving, the truth we know that we are stewards and not owners, and the faith we share that our gifts knit together have a big impact on our community and the world.

Based on their popularity last year, our Stewardship Team is once again preparing four 2024 Financial Pledge dinner events in the month of November, for which we humbly request your presence. The dinners will again be organized to provide an opportunity for us to learn more and celebrate together the ministry we share. With joy, we will hear the story of how our congregation impacts the world. With passion, we will gather together our collective gifts for the strength of the future we serve. With gratitude, we will raise our voices in thanks to our great God in Jesus Christ.
