Q1 Annual Ministry Budget Update

Good news to share on financial trends at Normandale Lutheran Church!

Receipts – Contributions to Normandale's 2024 Annual Ministry fund are pacing **15% ahead of the budget plan** through the first quarter of 2024. Thank you to the whole congregation for this needed support! This strength is due to **increased pledged giving by many and unpledged giving continuing at a stable level**.

Expenses – Costs are also favorable to budget, **running at 98% of budget plan through the first quarter**. The only notable above-plan costs relate to facility care, due to unplanned HVAC and electrical repair costs.

Capital Campaign - **Vision 2025 gift receipts in Q1 exceeded \$150,000. Cumulative campaign pledges are still approximately \$100,000 short of the overall campaign goal**, so the church is still asking for additional commitments in order to fulfill its comprehensive intentions.

Thank you for your prayerful stewardship support!
