## Director of Communications Starting Pastoral Internship

Our own Director of Communications, Sumner Musolf, has reached the final stage of his seminarian education with Luther Seminary, which is a pastoral internship. Starting September 1, 2024 through August 2025, Sumner's efforts will be split, devoting half of his time to his internship at St. Stephen Lutheran Church in Bloomington and the other half to congregational communications here.

In this circumstance, Normandale is continuing a long historical tradition of supporting seminarians. Our church is in the fortunate position to do so because of past dedicated gifts from this community for the specific purpose of "sending forth" seminarians to become future pastors!
