WORDS
FOR THE BEGINNING

Worshiping with all of our senses - Advent
Liturgical color: Blue

Advent is a season of endings & beginnings. The calendar year draws to a close as a new church year begins. As a congregation, we look to our past with gratitude as we look ahead to our 75th anniversary year. In this season, we prepare for Christ's birth at Christmas, which brings us new ways of living & loving.

This Advent is filled with blessings & words of hope we need to hear again & again. As we move through new chapters individually & together, may these words for the beginning renew us & remind us of the ways we are called to live out our faith. You're invited to enter this Advent season as if you are entering a sacred new chapter, holding fast to the reminders that will bolster you for the journey ahead.
