Crafting History: Stories
You've Never Heard About
World War II

featuring
**Stephen
Simon,**
retired U of
MN law
professor

This January, help our high school youth build a "snow fort" out of toilet paper & paper towels as they aim to help make dignity delightful through fulfilling an fundamental and important need for our neighbors.

Our goal is to cover the north-end wall of the Fishbowl with these much-needed paper products to then pass along to our VEAP partners. We will start building our fort on Thursday, January 2 and continue throughout the month. Can you help us fill the wall?
