## Adult Forum Series Coming This October and November

Welcome all and save the dates to the Fall Adult Forum Series **Lutheran Theology and "Race"** following worship on the following Sundays: October 5, October 19 and November 9.

Luther Seminary Professor of Theology Amy Marga will be presenting on what it means to be a "white" person and a Lutheran in America today! We'll look at the history and concept of "whiteness" and how it relates to the image of God, ideas about salvation of people of different skin colors, and interpretations of providence by white Europeans in North American land – all through the lens of Lutheran theology. For those who remember "The Orchard," this three-part series is a return to that popular Sunday adult learning format!

**LUTHER SEMINARY.**
